An Introduction

Pythagoras, the 6th Century BC Greek philosopher and mathematician said 'The world is built upon the power of numbers'. His belief, that reality is mathematical, that order is created out of chaos through numbers, is the principle on which numerology is founded. Numbers exercise a significant influence upon our life and destiny. They are inherent and powerful forces that can be used to gain understanding of ourselves, our present and our future. Through the observation and understanding of one's unique numbers, we have the precious opportunity to gain greater insight into the nature of our personality, our strengths and our shortcomings.

Each number has a particular vibration. Your own number is the reason why you relate well to some people and for no apparent reason have a level of discomfort with some others. Each number is assigned to a planet. Numerology thus is the analysis of numbers, specifically one's date of birth, and the associated numerical values given to the letters of the alphabet, specifically one's name. It also examines such numbers and their extraordinary effects on one's life, its associated energy vibrations, along with the interpretation of such information to provide insight and guidance.

Power of your Number

Every number has a certain power which rests in an occult connection existing between the relations of things and the principles in nature, of which they are the expressions. This first took a demonstrable form when man evolved the numerical sequence 0 1 2 3 4 5 6 7 8 9, by whatever symbols it was expressed.

Your Primary number is 4. Four is the number of reality and concretion. It relates to the material universe; the cube or square; physical laws, logic, reason, appearance, physiognomy, science, cognition by perception, experience and knowledge, the cross, segmentation, partition, order, classification, the swastika, the wheel of the law, sequence, enumeration, intellect; consciousness, as discerning between the spiritual and material, the nominal and phenomenal worlds, represented by the higher and lower triad. Hence, there is discernment, discretion and relativity. It is the symbol of Mercury. In an individual, it denotes realization, property, possession, credit and position, and materialism. The key words associated with this number are practical, orderly, patient, logical, hard-working, loyal, builder, steadfast, frugal, responsible, earthy, planner, materially creative, green thumb, and even tempered.

Your Destiny number is 6. Six is the number of co-operation. It relates to marriage, interlacing, a link, connection, reciprocal action, counterpoise, the interaction of the spiritual and material, the mental and the physical in man, the psyche, psychology, divination, communion, sympathy, telepathy, alchemy, conversion, concord, harmony, peace, satisfaction, goodness, beauty and truth, as tested by harmony, attainment, restitution, intercourse, reciprocity, connubiality and the relations of the sexes. It is the symbol of Venus. In an individual, it denotes co-operation, marriage, reciprocity, sympathy, play, art, music, and dancing. The key words associated with this number are harmony, beauty, nurturing, love, marriage, family, responsibility, understanding, sympathy, healing, empathic, perfectionist, order, duty, comfort, and service.

Primary Number

Your Primary number is simply your numeric birthday. It is one of the best spiritual tools which help in self discovery and gaining insight into one's world. Everything in the Universe vibrates, and carries a vibration frequency. The significations ascribed to your primary number, indicate your natural characteristics and basic personality traits.

Your Primary Number is 4

The number 4 symbolizes the planet Hershah or Rahu. It shows that you are a responsible person and a hard worker. You have a practical outlook to life and are capable of setting systems in place and creating order in chaos. You are honest and sincere. But progress in your life will be in sudden spurts. Life can be wrought with struggle. Several unexpected incidents take place in your life. Some of them may even result in a change of profession.

Your viewpoint is very different from everyone. You have very strong likes and dislikes. You have a distinctive character, and a natural tendency to oppose everything. That is why you make many enemies, even though you do not have a quarrelsome nature. In fact, you do not make friends very easily, but are very loyal once you are into a relationship with someone. You should not let your inadequacy get the upper hand, as stubbornness and rigidity may cause some problems for others, as well as your own self. However, you may not acknowledge this willingly.

You like rebelling and going against the law and breaking rules. You have a very untraditional and reformist approach, which instigates you to advocate change and reforms in the social and official framework. Whatever field you may be working in, you like to change the prevailing situation into a new order. You hold a respectable position in society and are recognized as a reformer in spite of the difficult path you may have to traverse in order to reach that position. There are many rewards gained when you do social service and serve others. Spiritually also there will be a feeling of elevation.

You do not have a materialistic attitude and are not concerned about wealth accumulation. In fact when you happen to have money, you tend to spend or use it in surprising and different ways. You believe in leading a comfortable life and not scrounging in any manner.

You must learn the advantage gained for yourself and move towards accomplishing your goals. If you recognize your inherent limitations and the levels of your endurance, you can be successful in life. You are very sensitive and emotional. This is the reason why you get hurt very easily. In fact you even retreat into yourself and indulge in self pity if you fail at something. You should cultivate tolerance and understanding.

Headache and mental ailments may trouble you at times, though in general, you keep good health.

You should try to do all your important work and execute plans and ideas on all days that vibrate to your own number, such as on the 4th, 13th, 22nd, 31st of any month, especially in the periods from

21st June to 27th July and 22nd July to 31st August.

The days of the week most fortunate for you are Saturday, Sunday and Monday and especially so, if it coincides with 1st, 2nd, 4th, 7th, 10th, 13th, 16th, 19th, 20th, 22nd, 25th, 28th, 29th, 31st.

You get along well with persons with primary numbers 1, 2, 6, 7, 8, 9. You do not have good relations with persons having primary numbers 3, 5. As per Sepharial, you vibrate to persons with 6, attract persons with 1, 8 disagree with persons having 3, 5 and are passive to persons with 2, 7, 9. As per Cheiro, you have a friendly relationship with persons having 1, 2, 7, 8.

The most auspicious colors for you are shades of blue, shaded, brown, mixed colors.

Destiny Number

Your Destiny Number is the sum of your birth date. It determines the purpose, and direction of your life and how it will manifest. It gives you a broad outline of the opportunities, challenges, and lessons you will encounter in this lifetime. It helps you determine how to make the most out of these opportunities.

Your Destiny Number is 6

The number Six is symbolic of Venus. Under the influence of this number, you are very artistic and have aesthetic standards and sensibilities. You are always fun to be with and manage to see the positive side of even the most irritating situations. Venus bestows you with artistic abilities. You earn your living through art, art products and in related fields. You are attracted to beauty. You do not hesitate to spend yourself and your money on the opposite gender, when you are naturally attracted to them. You have a very calming effect on others and at times people try to take advantage of you because of your sweet temperament. You have the knack of seeing the other person's point of view and your partnerships are likely to be peaceful and long lasting. You are extremely loyal to those that you care about and you are admired for sticking to your principles.

You constantly spend money on your home and office interiors, because you like staying in an artistic and clean environment. You love good clothes and ornaments. Financially you are well endowed. You maintain a good life style. You are perceived to be moneyed, even when you pass through phases of shortage of money. You will succeed for sure if you select any artistic field as your vocation. On the off side you can be stubborn and domineering. In order to balance things, you tend to create a chaos.

To conclude, you must learn to be responsible, magnetic, dependable, kind, affectionate, artistic, friendly, and a helper to those in need. You should try to avoid being stubborn, obstinate, slow to decide, irresponsible, interfering, and unyielding.

Your destiny will tread the upwards graph at the age of twenty four, ascend further at thirty three and give you complete results at the age of forty two. The years 15, 24, 33, 42, 51, 60, 69, 78 will prove to be fortunate and auspicious for you. Significant events will take place in your life in the year 2004, 2013, 2022, 2031, 2040, 2049, 2058, 2067, 2076, 2085, 2094.

Name Number

To quote Sepharial , "When we look round upon life, we are constantly struck by the inequalities existing between faculty and its material efficiency. Consequently, we may derive some benefit of a practical nature from the measure of our own selves, and an understanding of the faculty we are designed to represent in the economy of life. "

If the name of a person is not compatible to his number then there is a difference of faculty and function. So an auspicious name is the gateway to success.

Characteristics, Health and Finance Report

Fundamental Characteristics

You may have a dual temperament. You have a sharp mind and are versatile and multi talented. It is difficult to understand you. You leave all your rivals by using your mental abilities. You mesmerize everyone with your smooth talking and everyone is happy to meet you. But it will be difficult for you to fulfill your promises unless it serves some selfish interest of yours.

You may befool yourself and consider yourself to be unchanging and loyal. But you exist on different levels in every moment. If a plan is placed before you, you can very quickly absorb all the details or you totally dismantle it with arguments, criticism and sarcasm. If you can stick to your words then you can achieve a lot. You can succeed as a speculator, company promoter or with new business ideas. You can easily impress strangers, meet people, roam around abroad and practice diplomacy.

Love is a real mystery for you. You can be extremely loving in one moment and totally disloyal in the other. You may even nurture two families simultaneously and secretly without getting caught. You are hospitable to friends and charitable towards those whom you are very fond of. However, once they are away, you forget them totally. This can be excused as a case of bad memory perhaps.

You are emotional and active. If you have money and a vehicle at your disposal, you cannot stay in one place for long. You love speed and spend money on fast moving cars and planes in order to save time. You are unaffected by the ups and downs that come in your life. You may be sad at one moment and happy the next. You may change your attitude to life many times in the course of your vocation. However, if you change your attitude towards your friend, you should consider the friend as dead. You may abandon your ambition when you achieve success or very easily quit a responsible position, if you lose interest.

You look for variety and may go to any length in your quest for diversity. Your active mind needs to express itself in many directions at the same time. You are rarely satisfied on completion of your work, as you tend to be critical of your own work. You may occupy a position of leadership in a progressive agitation, and may have another private vocation also.

You have a different personality from others. Events take place suddenly and unexpectedly in your life. You will display originality in all your work. You will be inspired to come up with new ideas, new reforms and new inventions. You have different views about social and government problems. You may be attracted to mystical sciences and may reveal them to the general public through your lectures.

Marriage will be happy if you can find a person who shares your views. Relatives may be irritable. Being independent minded, you prefer to stay away from them. Try to avoid legal issues if possible.

Health

Health depends on the effect of the mind on the physical body. If you are successful and happy, ailments will stay away from you. If not, then you will suffer an ailment connected with the nerves. A good sleep is most essential to recharge your energy. Some ailments to watch out for are stammering, weak lungs, pneumonia, pleurisy, itching etc.

You will suffer from mysterious ailments. You will be very sensitive to medicines. You may keep switching doctors. You may experiment with your mental health. You may even be a new sort of doctor, but you will face a lot of opposition and misunderstanding. In spite of many difficult periods, you will have a good longevity.

Finance

Your financial status is difficult to gauge. It is directly related to the direction in which your mind is active. You can earn through intellectual vocations like science, art, literature and music. If you are money minded, you will wish to take up activities where money can be earned quickly, like business and speculation. The danger lies in a feeling of being dissatisfied always and crossing all limits in the quest for money. Your nervous system can be badly affected, by your intellectual inclination.

You may earn money suddenly but it will not be retained for long. Your thought processes will be ahead of your generation. You may like to speculate. Mostly, you help people of the backward classes. Your profitable innovations relate to television, wireless, travel, cinema and literature.

Areas of Life

Man cannot exist in isolation. All human activity has a great impact on the global environment and the environment also impacts our activity. So it is very important that our surroundings and the things that fall within the ambit of our movement and action should also be in harmony with us. The direction of our house, our house numbers, our vehicle, our career choices should therefore be chosen according to our primary number.

Direction

The South West direction is very auspicious for you. So you should reside in the south western part of the city. If possible, try to select the south western part of the house also for your residence. House numbers with the digits 4, 1, and 8 will be lucky for you. Job as well as business opportunities from the South West will also prove to be beneficial for you.

Career

The following professions or areas related to these are suitable for you: Wine, spirits, oil, kerosene, essence, scent, rail, aviation, navy, water works, technician, color, engineering, loading, mapping, tailoring, carpentry, printing, telephone operator, clerk, typist, steno, sculptor, journalist, collector, electrical, speaker, preacher, government employee, laborer, chauffer, or contractor.

Color

Wearing blue, shaded, brown shades of color will be lucky for you.

Vehicle

If you buy a vehicle then the registration number should be added to result in the primary number 4 or other primary numbers which are friendly to 4 like 1 and 8. The digits 4, 1, 8 could also form part of the registration number.

Travel

While travelling, select hotel rooms with numbers that add up to 4.

Health

You may suffer from ailments related to blood pressure, cold and cough, and infectious diseases. You should appease Lord Ganesha in order to get reprieve and relief from them. Observe a fast on Ganesha chaturthi.

Remedies

यथा धेनु सहस्रेषु वत्सो विन्दन्ति मातृम्।
तथा पूर्वा कृतम् कर्मम् कर्तार मनुघजाति।।

The above shloka means that just as a calf can find its mother from a herd of thousand cows, similarly your karmas can follow you in every birth that you take. It is one's deeds that decide one's karmas. Remedies are those deeds which lower the intensity of negative results and guide you in the dark moments of life. Your primary number, destiny number, name number and number chart influence you in many different ways. One or more of these may be favorable or unfavorable for you. A favorable number does not require any remedial measures. But if a number persistently gives you negative results, then remedial measures can bring some level of relief. There are many different types of remedies that can be followed to alleviate pain.

Offering prayers to the planetary deity

Offering prayers with deep faith to the planetary deity helps you overcome all hardships and enjoy happiness, prosperity and a long life. Your personal spiritual healing and transformation contributes positively to your mental uplifting. Mantra recitation is also part of the worship. A mantra assumes that each planet or its driving-force is sentient and our prayer will move it to forgive our sins and increase its' stored energy in our body.

Your planetary deity is Rahu, who is appeased by offering prayers to Lord Rahu or Lord Ganesha while reciting: Om shreem hreem kleem glaum gam ganapataye vara varada sarvajana me vashmanaya swaha 108 times. On the fourteenth tithi, you should fast and offer modakas to Lord Ganesha . If this is not possible have a daily darshan of Lord Ganesha's picture.

On Saturdays, you should observe a fast. The fast should be done regularly for 51 or 19 Saturdays. Wear black or blue clothes, donate oil and worship the peepul tree. A Rahu Yantra can be worn or placed in the place of worship. Recite the Rahu mantra thereafter using a rudraksha rosary.

Gayatri Mantra: To be recited everyday 11, 21 or 108 times after the morning bath.

ॐ शिरोरूपाय विद्महे अमृतेशाय धीमहि तन्नो राहुः प्रचोदयात्।

Dhyan Mantra: To be recited in the morning on waking up, keeping the image of God in mind.

अर्धकार्यं महावीर्यं चंद्रादित्यविमर्दनम्।
सिंहिकागर्भसंभूतं तं राहुं प्रणमाम्यहम्।।

Graha Mantra: This mantra is recited to appease an unfavorable Rahu. It should be recited 108 times everyday for 180 days.

ॐ भ्रां भ्रीं भ्रौं सः राहवे नमः।।

Gemstone

Gemstones are known for their therapeutic healing ability. Symbolic of peace, prosperity and happiness, they are known to give direction to human destiny. Their structural vibrations strengthen planetary powers, by enhancing the individual cosmic aura, inducing energy in the associated area of life, and activating the all-pervasive divine influence present in each one of us.

Hessonite is the gemstone suitable for you. The secondary gemstones that can be worn are Orange Zircon, Spessartite. This should be set in gold and worn on a Saturday, in the middle finger.

Herbal Ablution

Herbal ablution or aushadhi snaan consists of adding powdered herbs to one's bath water. It helps overcome the effects of troublesome planets and improves our health and general well-being. It has the potential to affect our chakras and make them less vulnerable to the effects of planets. Some special herbs can block or modify the absorption of malefic planetary energies. However the effect of this remedy is slow and gradual. For appeasement of all planets, kuttha khilla, kangni, mustard, devdaru, turmeric and lodha should be powdered and added to the bath water.

The special herbs for persons relating to the number four are nagbela, lobaana, sesame leaves, bacha, gaduchi, tagara etc. Powder these and add them to the bath water every Saturday.

Healing Herbs

Healing Herbs are generally used for their medicinal qualities and cosmic energy. They reduce the malefic effects of planets.

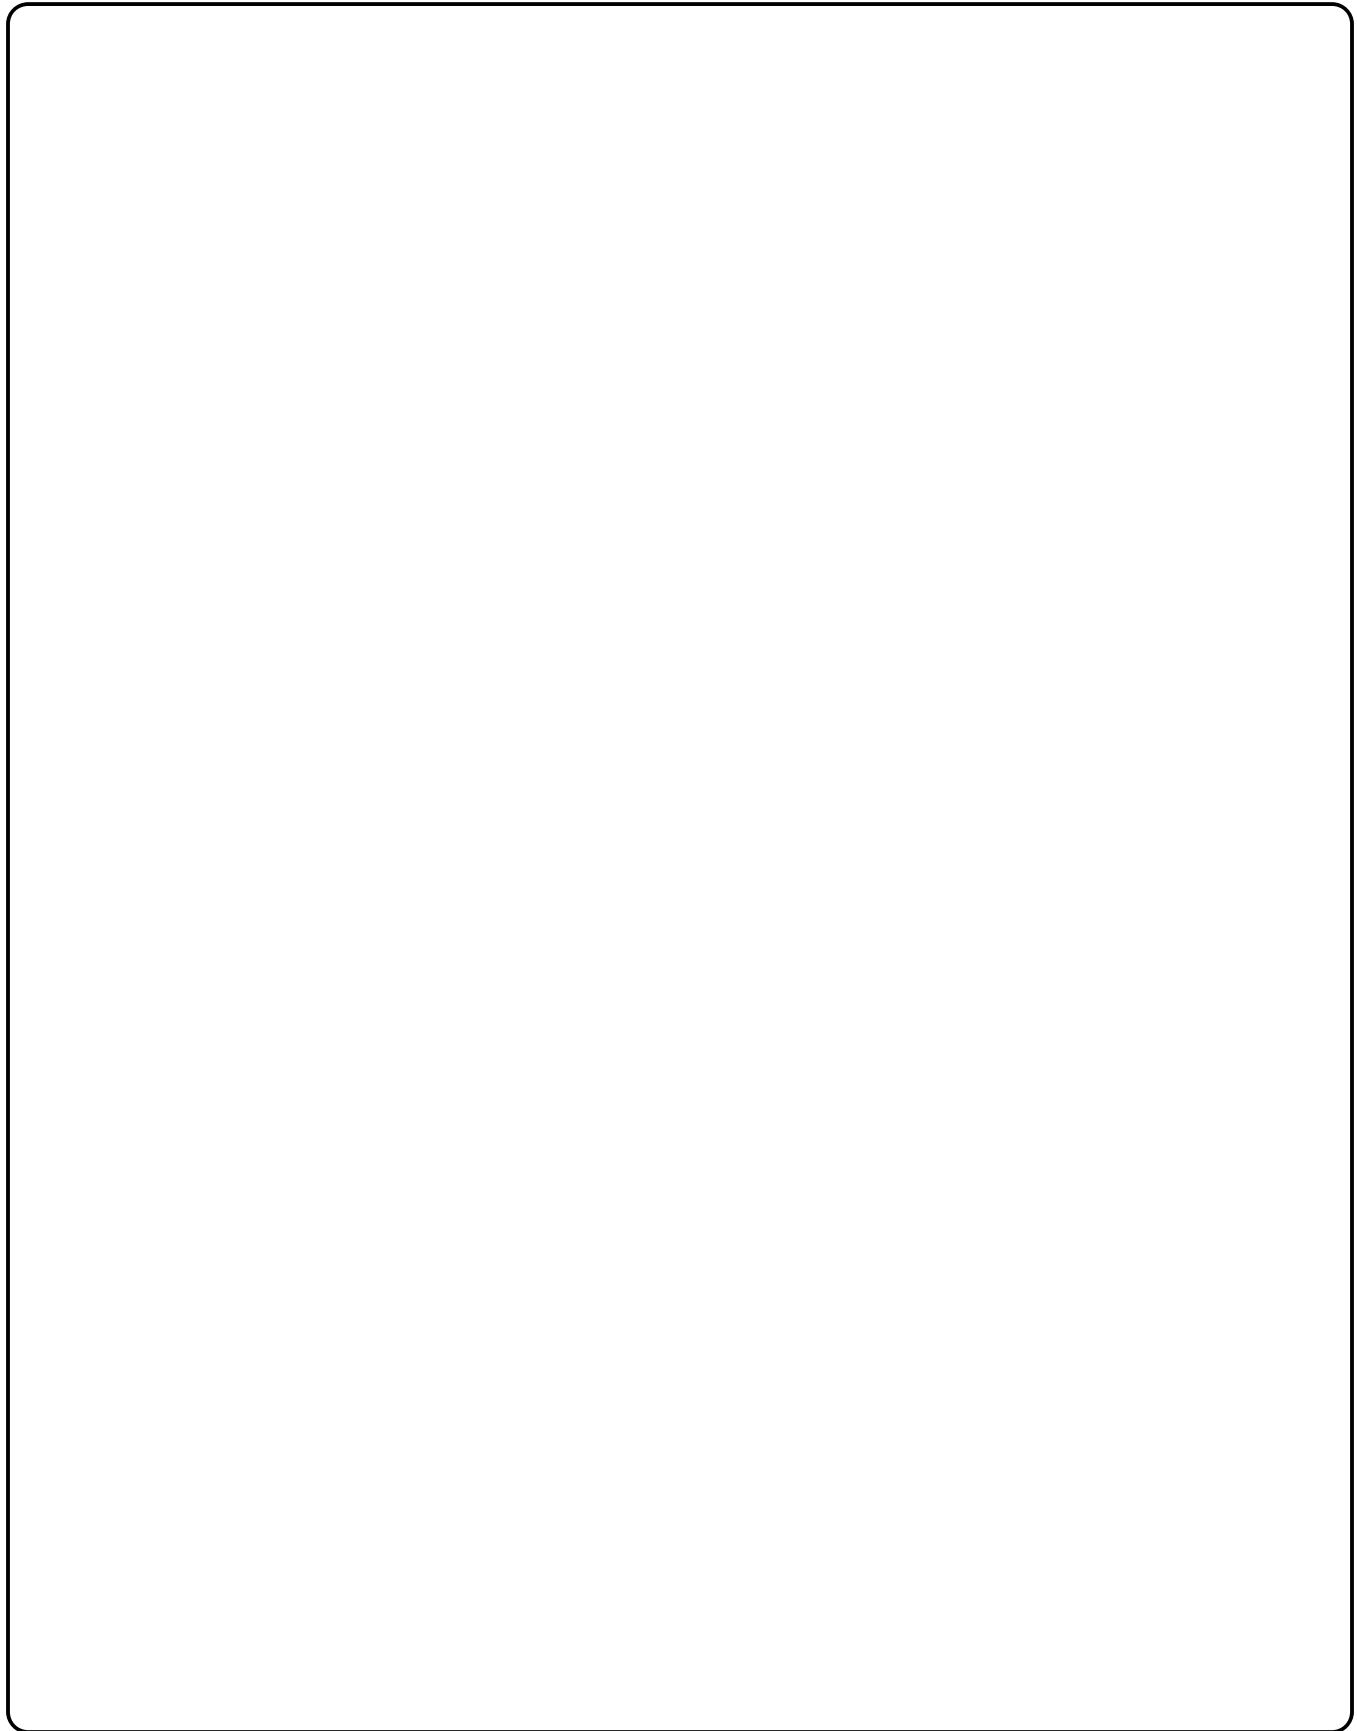

On Saturday, tie a one inch long root of the white sandalwood plant in a blue thread around the right arm or put it inside a tridhatu or iron charm (taabeez) and wear it round the neck.

Charity

By doing charity and dedicating it to a planet, we can work with the energy of the planet and help diminish its negative effects on us. Planetary charity is not just for planets that are afflicted, but can be used to good effect with all planets. To appease your planet, you need to donate the following - Abhraka, iron, sesame, blue clothes, copper vessel, seven varieties of grain, urad dal, hessonite, black flowers, oil, blanket, horse, rubber.

Color

It is interesting to note that each planet influences a particular color of light in the spectrum. Our skin controls absorption of various energies, one of them being light energy. You should try to increase the use of the following colors in your daily life - Blue, shaded, brown, mixed.

Daily Prediction for Alp Sharma (14-June-2025 to 14-June-2026)
