## Profession, Father, Status & Power

It is the general pattern that politics is the best profession for those born when the Virgo sign is occupying the tenth house. Even if it is not preferred as a full time occupation, the native can hope to secure substantial benefits from politicians.

Not that it is the only area that suits you. There are many others from which you can have your pick. They include being a public orator, bank employee, teacher, editing and publishing books, establishing close links with educational and religious institutions, or occultism. Company law, engineering, foreign assignments or civil contracts can also be pursued.

It would be in your interest to do business instead of service as there are hints of your making good profits in business like trading, import, export or valuable or engineering items.

You can be optimistic of securing favours from governmental agencies. If you prefer it, you can also take up a government job in which your worth will be recognized, yielding rewards. In case you are forced to enter into a litigation, you needn't despair as you will emerge from it unscathed.

## Prediction For May 2028

A month that has little of an encouraging nature for your professional prospects, since the stars are not in an obliging mood.
